

Dear Hiring Manager,

This is to express my interest in the Data Scientist/Machine Learning position at Twyn. I have a Master's degree in Computer Science and Engineering from Indian Institute of Technology, Mandi with a CGPA of 8.25.

My ongoing internship as a Data Scientist at D2K Technologies has enhanced my skills in Exploratory Data Analysis, statistical analysis, and data visualization, particularly in the financial sector. Additionally, my projects demonstrate practical experience in developing AI-powered solutions, including a RAG-based chatbot and a student performance predictor.

My technical skills include Python, C++, SQL, PyTorch, and LangChain with a strong background in machine learning, deep learning, and NLP.

I am confident that my academic background, technical skills, and practical experience make me a strong candidate for this position. I look forward to the opportunity to contribute to your team and discuss how my capabilities align with the company's goals.

Thank you for your consideration.

Sincerely,

Sachin Bahuleyan
